FLU SHOTS BEING GIVEN DURING OCT.

The Student Health Center is offering flu shots again this year to all students, faculty and staff. During October vaccine will be administered as follows in A-117:

Tuesday - 9:00 a.m. to 1:20 p.m.

Thursday - 8:00 a.m. to 10:00 a.m.

The vaccine used this year is a more purified type and should not cause as many side-effects as in previous years. The shots will be administered to students free of charge. Faculty and staff will be charged \$1, payable at the Bursar's office prior to coming to the Health Center.

Influenza protection is especially urged for those with chronic illness (especially heart or lung disease) and those particularly susceptible to respiratory infections.
